I. **Call to Order** — *Randy Parker, Immediate Past President*

Called to order 10:15am. Randy served as chair until Hal arrived (Bill was unable to make the meeting due to a family emergency).

II. **Roll Call** — *Christine Appert, Secretary*

Ted called the roll for Christine.

III. **Introductions** — *Hal Morgan, Vice President*

Presentation of service recognitions to Randy Parker as president of board and Ray East as treasurer.

IV. **Public Comments** — *Hal Morgan, Vice President*

No public.

V. **Action Items**

A. July 13, 2022 Board of Directors Meeting Minutes — *Christine Appert, Secretary*
No comments. **Motion to accept: Jacob; seconded: Dian. Passed unanimously.**

B. Jaunt Articles of Incorporation Amendment — *Nancy Schlichtling (Flora & Pettit), Ted Rieck, Randy Parker*

Ted said that Randy Parker, in 2021, initiated a review of Jaunt’s governing documents to make sure they are consistent with Virginia statutes as well as are in sync with Jaunt’s practice. Further, we want stronger conflict of interest provisions in the bylaws. Nancy reviewed the revised article of incorporation. Article IV, identifying the registered agent, can be struck. **Motion to accept with change: Randy; seconded: Dian. Passed unanimously.**

C. Jaunt Stock Purchase Third Amendment — *Nancy Schlichtling (Flora & Pettit), Ted Rieck, Randy Parker*

The stock purchase agreement determines, among other things, allocation of voting director seats on the board. Strike out the last “whereas” on page 1. Erik asked if the documents were being offered to stockholders by staff or board. Response was the board. He also requested a clearer presentation of the changes in the documents as the redlining is jumbled. Nancy offered to do a “comparison” version of the document to better show the changes before and after. **Motion to accept with change: Randy; seconded: Dian. Passed unanimously.**

D. Annual Shareholder Meeting October 12, 2022 9:30 am — *Hal Morgan, Vice President*

This item called for an annual shareholder meeting to be held October 12th.

Motion to accept: Randy; seconded: Lucas. Passed unanimously.

VI. **Standing Committee Reports**

A. Finance Committee — *Jacob Sumner, Treasurer and Robin Munson, CFO*

Robin presented the financials, which included FY2022 ending (June 30) and the first month of FY2023 (July). FY2022 finished as expected with a surplus of approximately \$2.5 million . FY2023 one month in has a \$101,000 budget surplus. This is partially due to below budget actuals for labor expenses due to lower-than-expected service levels and open positions.

1. FY2024 Budget Preparation—Ted informed the board that the staff has begun work on the FY2024 budget. Our goal is to have pre-submission meetings with funding sources early in the process. Ted mentioned that there are two significant budgetary challenges looming. The first is insufficient federal capital funding for the urban portions of our service area. The second is a cross-subsidy of services from one jurisdiction to another. Staff will be working to identify them and clearly delineate the flow of funds.

B. Operations and Safety Reports — *Karen Davis, DCEO*

Kyle Trissel made a report regarding the trend in safety. He mentioned an upcoming Safety and Operations Committee meeting when these will be discussed in more detail.

Karen mentioned that a draft transit terminology glossary and common abbreviations were included for Board directors’ reactions.

C. Regional Transit Partnership Update — *Christine Jacobs TJPDC*

Christine gave an overview of the August RTP meeting when a presentation was made about the Central Virginia Regional Transit Authority.

D. Executive Director Report — *Ted Rieck, CEO*

Ted reported on community presentations he has made, including one for Greene County. The Greene County presentation was part of Jaunt’s obligation under the Memorandum of Understanding (MOU) governing the funding of services for FY2023. Jaunt has met or exceeded all of the metrics established, including receiving highly favorable responses from a customer satisfaction survey of Greene riders.

Greene County Supervisor Steve Bowman expressed thanks for the presentation and the progress made by Jaunt.

E. Executive Committee — *Hal Morgan, Vice President*

Jaunt Board of Directors Revised By-laws — *Nancy Schlichtling (Flora & Pettit), Ted Rieck, Randy Parker*

Nancy reviewed proposed changes to the Board’s bylaws. It is expected that the new bylaws will be presented to the Board for adoption at the October meeting. Erik asked about Jaunt’s classification as a public service corporation.

VII. New Business

The Jaunt Board adopted a policy governing remote electronic meeting participation in October of 2021. That policy was to be reviewed in September 2022. Jaunt’s legal counsel, Jordan Bowman developed a revised policy that is similar to the October 2021 policy. Jordan reviewed the revised policy highlights.

Motion to accept: Randy; seconded: Lucas. Passed unanimously.

VIII. Announcements and Board Member comments

None.

IX. Closed Session

With time running short, and in the absence of Bill Wuensch, the proposed closed session was tabled until October 2022.

Motion to accept: Willie; seconded: Dian. Passed unanimously.

X. Adjourn to next meeting: *October 12, 2022 at 10:00 a.m. EDT*

Action: Item V.B.: Jaunt Board of Directors Bylaws

This seeks Board approval of its revised bylaws. Draft bylaws were presented for information at the Board's September 14, 2022 meeting.

In 2021, Randy Parker, then president of the Jaunt Board of Directors, asked Nancy Schlichting of the law firm of Flora & Pettit to review and revise Jaunt's governing documents. One of the purposes of the review was to ensure that the documents reflected Jaunt's actual practices. The review was also done to address conflict of interest issues that can occur on the Board.

There are two key documents relating to Jaunt's governance as a public service corporation:

1. Articles of Incorporation (AOI) establishing Jaunt as a public service corporation.
2. Stock Purchase Agreement (SPA) governing buying into the corporation by shareholders.

Both of these were presented at Jaunt's Stockholders' Annual Meeting held just before the October Board of Directors meeting.

Following the adoption of the AOI and SPA, the Board is asked to approve of revisions to its bylaws to ensure consistency with the new governing documents. Attached is a "clean" version (with no track changes or edits) of the bylaws followed by a "comparison" of the new bylaws with the current bylaws (adopted in 2007).

2.14 **Notice.**

a. *Regular Meetings.* Notice of the date, time, and location of each regular meeting of the Board of Directors shall be provided to each Director by the Secretary or the Executive Director at least three (3) days prior to each such meeting. The notice of the date, time and location of a regular meeting need not state the purpose or purposes of such regular meeting, except as expressly required by these Bylaws. 2.16. Quorum.

Quorum. For each regular, special or annual meeting, a quorum shall consist of at least a majority of the number of Directors in office immediately before such meeting begins. Where there is an odd number of current Directors, one half of the next lowest number shall constitute a “majority” for the purpose of establishing a quorum. The Board of Directors shall not vote or act on any matter unless a quorum is present. If a quorum is present at any meeting, the act or vote of a majority of the Directors who are present at such meeting shall constitute the act or vote of the Board of Directors unless a higher vote is required by the Corporation’s Articles of Incorporation, these Bylaws or applicable law. If less than a quorum is present at a meeting, the majority of the Directors attending such meeting may adjourn the meeting without further notice until a quorum is obtained.

2.17 **Voting** Voting at all meetings of the Board of Directors shall be "in person" which, in the event of Director participation at a meeting conducted by telephonic, video, electronic or other communication means where the Directors are not physically present so long as those participating may simultaneously hear each other during the meeting as permitted under these Bylaws and by Virginia law, shall include all votes cast by Directors who are participating in that manner. No voting shall be made by secret or written ballot, and there shall be no proxy voting. Each Director shall be entitled to one (1) vote on all matters coming before the Board of Directors. Except as otherwise required by the Corporation's Articles of Incorporation, these Bylaws, or applicable law, if a quorum is present, a majority vote of the Board of Directors present at a meeting shall be required to take or approve any action coming before the Board of Directors for a vote during such meeting.

2.21 Director Conduct and Statement Regarding Conflict of Interest. In addition to complying with all legal and ethical standards of conduct governing directors under applicable law and rules and requirements promulgated by the Board of Directors, each Director shall comply with the Corporation's Code of Ethics and Business Practices. No board member shall use their position, or the knowledge gained there from, in such a manner that a conflict between the interest of the Corporation or any of its affiliates and their personal interest arises. Each Board member has a duty to place the interest of the Corporation foremost in any dealings with the Corporation and has a continuing responsibility to comply with the requirements of this policy. The conduct of

personal business between any Board or committee member and the Corporation and any of its affiliates is prohibited. Board or committee members may not obtain for themselves, their relatives, or their friends a material interest of any kind from their association with the Corporation. If a Board member has an interest in a proposed transaction with the Corporation in the form of any personal financial interest in the transaction or in any entity involved in the transaction, or holds a position as a trustee, director, or officer in any such entity, they must make full disclosure of such interest before any discussion or negotiation of such transaction. Any Board or Committee member who is aware of a potential conflict of interest with respect to any matter coming before the Board or committee shall not be present for any discussion of or vote in connection with the matter. To implement the policy, Board Members of the Corporation will submit annual reports and, if not previously disclosed, will make disclosure before any relevant Board or committee action. These reports will be reviewed by the Executive Committee, which will attempt to resolve actual or potential conflict(s) and, in the absence of resolution, refer the matter to the Board of Directors.

ARTICLE III. STOCKHOLDERS

3.1. **Annual Meetings.** The annual meeting of the Stockholders of the Corporation, for the purpose of nominating and electing Directors for any unfilled seats as provided herein, and for the transaction of such other business as may properly come before the meeting, shall be held in July of each year at the principal office of the Corporation or at such place and on such a date as the Board of Directors may designate in calling such meeting.

3.2. **Special Meetings.** A special meeting of the Stockholders may be called at any time by the President, by the Board of Directors, or by the holders of not less than one-tenth (1/10) of all the shares entitled to vote at such meeting.

3.3. **Notice of Meetings.** Written notices of each annual and each special meeting of the Stockholders shall be given by, or at the direction of, the President or other persons calling the meeting. Such notice shall state the place and time of the meeting, the purpose or purposes for which the meeting is called, and such other information as may be required by law. Except as otherwise required by law, such notices shall be delivered personally or mailed in a postage prepaid envelope, but not less than ten business (10) days, nor more than fifty (50) days before such meeting, to each Stockholder of record entitled to vote at such meeting; and, if mailed, it shall be directed to such Stockholder at this Stockholder's address as it appears on the stock transfer books of the Corporation, unless such stockholder shall have filed with the Secretary of the Corporation a written request that notices intended for such stockholder be mailed to some other address, in which case it shall be mailed to the address designated in such request. Notwithstanding the foregoing, a waiver of any notice herein or by law required, if in writing and signed by the person entitled to such notice, whether before or after the time of the event for which notice was required to be given, shall be the equivalent of the giving of such notice. A stockholder who attends a meeting shall be deemed to have had timely and proper notice of the meeting, unless said stockholder attends for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. No notice of the

reconvening of any adjourned or recessed meeting need be given except as contained in the resolution or ruling directing the adjournment or recess.

3.4. Quorum. Except as otherwise provided by law, at any meeting of the Stockholders of the Corporation, a majority of the outstanding shares of stock entitled to vote at such meeting, represented in person or by proxy, shall constitute a quorum for the transaction of business. In the absence of a quorum, a majority in voting power of the stockholders present in person or represented by proxy and entitled to vote may adjourn the meeting from time to time without further notice until a quorum is obtained. At any such adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the meeting as originally called.

3.5. Business and Order of Business. At every meeting of the Stockholders, a person chosen by a majority vote of the Stockholders present in person or by proxy and entitled to vote, shall act as Chairman of the meeting. The Secretary of the Corporation, or, in the discretion of the Chairman, any person designated by the President or the Chairman, shall act as Secretary of the meeting. At each meeting of the Stockholders such business may be transacted as may properly be brought before such meeting, whether or not such business is stated in the notice of meeting or in the waiver of notice thereof, except as otherwise by law or by these Bylaws expressly provided. The order of business of all meetings of Stockholders shall be as determined by the Chairman, but such order of business may be changed by a majority in voting power of the Stockholders present in person or by proxy and entitled to vote at the meeting.

3.6. Voting. Except as otherwise provided by law, each Stockholder shall be entitled to vote according to the shares and their respective voting rights provided in the Articles of Incorporation, upon matters to be voted upon by the stockholders. Except for the election of Directors, the holders of shares permitted to vote shall be entitled to one vote for each outstanding share held on each matter submitted to a vote at a meeting of stockholders, and if a quorum is present, the affirmative vote of the majority of the shares represented at the meeting and entitled to vote on the subject matter shall be the act of the Stockholders, unless the vote of a greater number is required by law or the Articles of Incorporation.

Unless not permitted by Virginia law, a stockholder may vote either in person, by telephone, teleconference, virtually, or by proxy executed in writing by the Stockholder or the Stockholder's duly authorized attorney-in-fact. Such proxy shall be filed with the Secretary of the Corporation before or at the time of the meeting. No proxy shall valid after eleven (11) months from its date, unless otherwise provided for in the proxy.

3.7 Election of Directors. For every two (2) shares held, such Stockholder shall be entitled to nominate two (2) Directors for election to the Board. For Stockholders owning an odd number of shares, the number of Directors to be nominated shall be rounded down to the nearest even whole number. For example, Stockholders with 5 shares rounds down to 4 Directors to be nominated. For the election of Directors, each Stockholder shall be entitled to the number of votes represented by the number of shares held. Notwithstanding the foregoing, the Stockholders agree to elect the Directors nominated by each Stockholder except for good cause shown.

3.8. Voting List. At least ten

(10) days before each meeting of Stockholders, the Secretary of the Corporation shall make a complete list of the Stockholders entitled to vote at any such meeting or any adjournment thereof, with the address of and the number of shares held by each. Such list shall be kept on file at the Registered Office of the Corporation for a period of ten (10) days prior to such meeting and shall be subject to inspection by any Stockholder at any time during usual business hours for such ten day period. Such list shall also be produced and kept open at the time and place of the meeting and shall be subject to inspection by any Stockholder during the whole time of the meeting.

3.9. **Action by Stockholders Without a Meeting.** Unless otherwise specifically provided by law, no vote of any kind of the Stockholders shall be taken to authorize the transaction of any business of the Corporation, other than a vote taken at a meeting of the Stockholders. No vote of the Stockholders shall be by secret or written ballot. Unless prohibited by law, meetings of the Stockholders may be conducted through telephonic, video, electronic or other communication means where the Stockholders are not physically present so long as those participating may simultaneously hear each other during the meeting. Stockholders may vote by telephone or other electronic means.

Additional nominations may be made from the floor during the meeting which the election is held.

COVID-19 hit Central Virginia in March 2020, resulting in the closure of many human service agencies and businesses, which in turn caused a dramatic decrease in public transit ridership. Jaunt’s agency services were hardest hit by this impact, with a 90-95% reduction in service. Public services fared better, with only a 50-75% reduction in service.

Jaunt ridership continues to recover from COVID service impacts. Many of Jaunt’s rural services have returned to pre-pandemic passenger counts, while Charlottesville and Albemarle are nearing 80% of pre-pandemic levels. Ridership has remained steady from last month to this month. The long-term effect of remote work on commuting patterns after COVID-19 is still unknown.

Glossary for Jaunt's ADA Monthly Performance Summary

The Americans with Disabilities Act (ADA) The [Americans with Disabilities Act \(ADA\)](#) prohibits discrimination against people with disabilities in several areas, including employment, transportation, public accommodations, communications and access to state and local government' programs and services. Source: US Department of Labor

Jaunt's ADA Monthly Performance Summary report includes metrics for both Jaunt's ADA Service and the sum of all Demand Response services Jaunt performs (including ADA). Rows labeled as "ADA" are those pertinent to Jaunt's ADA Service.

Unlinked Passenger Trip – Passenger travels one-way; picked up from one destination, transported, and dropped off at a different destination. If a passenger books round-trip transportation to a destination and back home, that is two unlinked passenger trips. If the passenger transfers as part of their trip, each time they transfer marks the beginning of a new unlinked trip (this is more common for fixed-route transit). Source: National Transit Database

Revenue Miles – The miles that a vehicle is available to the general public and there is an expectation of carrying passengers (NTD Glossary). Vehicle revenue miles are calculated as the miles traveled between the first pickup after leaving the depot and the last drop-off before returning to the depot, excluding breaks and travel to/from breaks. Vehicle revenue miles are allocated to individual demand response trips in proportion to passenger ride distance. Source: Jaunt

Revenue Hours - The hours that a vehicle travels while in revenue service. Source: NTD Glossary

Vehicle revenue hours are calculated as the time between the first pickup after leaving the depot, or starting location, and the last drop-off before returning to the depot, excluding breaks and travel to/from breaks. Vehicle revenue hours are allocated to individual demand response trips in proportion to passenger ride time. Source: Jaunt

No-Show: A no-show occurs when a Jaunt vehicle arrives at the scheduled location, per GPS/AVL, within the 25-minute pickup window (15 minutes before the scheduled time to 10 minutes after the scheduled time) and the rider fails to appear to board the vehicle within a five-minute wait time. Source: Jaunt

Missed Trips – A missed trip occurs when a Jaunt bus arrives outside of the 25-minute pick up window* and the passenger chooses not to ride. (*15 minutes before the scheduled time to 10 minutes after the scheduled time) A missed trip is not counted against a passenger because it was Jaunt's error. If the passenger is unavailable or no longer wishes to ride, a "Missed Trip No-Show" is recorded. If the passenger rides with Jaunt regardless of the arrival time, or finds alternative transportation, a "Missed Trip but Transported" is recorded. When a passenger has additional trips scheduled after a missed trip, Jaunt will work with the customer to see if they still plan to take those trips. Jaunt strives to minimize Missed Trips to the greatest extent possible.

Missed trips, which are caused by agencies and not by riders, result from trips that are requested, confirmed, and scheduled, but do not take place

because:

- The vehicle arrives and leaves before the beginning of the pickup window without picking up the rider and without any indication from the rider that he or she no longer wants to make the trip. Note that a rider is not obligated to board until the beginning of the pickup window or—for transit agencies that have a 5-minute wait-time policy—from the start of the pickup window until 5 minutes have elapsed.
- The vehicle does not wait the required time within the pickup window, there is no contact with the rider, and the vehicle departs without the rider. Note that if during the wait time the rider indicates he or she no longer wants to take the trip, this is typically recorded as a “cancel at the door.”
- The vehicle arrives after the end of the pickup window and departs without picking up the rider (either because the rider is not there or declines to take the trip because it is now late).
- The vehicle does not arrive at the pickup location.

A transit agency cannot have substantial numbers of trip denials and missed trips, as they are also considered capacity constraints and are not permitted under FTA ADA Circular § 37.131 (f) (3) (i) (B).

Denials—Trip denials result when agencies do not accept trip requests.

Examples of trip denials include:

- A rider requests a next-day trip and the transit agency says it cannot provide that trip.
- A rider requests a next-day trip and the transit agency can only offer a trip that is outside of the 1-hour negotiating window. This represents a denial regardless of whether the rider accepts such an offer.
- A rider requests a round-trip and the agency can only provide one leg of the trip. If the rider does not take the offered one-way trip, both portions of the trip are denials. Source: 8.5.4 of the FTA ADA Circular C_4710.1:

Per § 37.131 (b) (2), while a transit agency may negotiate pickup times with the individual, it may not require an ADA paratransit eligible individual to schedule a trip to begin more than 1 hour before or after the individual’s desired departure time.

If Jaunt is unable to provide an ADA trip at the requested time, an alternative time will be offered 60 minutes before or after the requested time. Source: Jaunt

On-Time Performance – The percentage of passenger events performed where aunt arrived within the customer’s established time window(s). For most trips, this just refers to the 25-minute pickup window, but some trips also have a specified drop-off window, such as to reach a medical appointment on-time. In those cases, the pickup and drop-off are counted as two separate events for calculating on-time performance.

Note: FTA considers pickups as on time when a driver arrives at the pickup location within the established pickup window.

- Early – FTA considers pickups early if a driver arrives and departs with the rider before the established pickup window begins.
- Late – FTA considers pickups late if a driver arrives after the end of the established pickup window and the rider boards the

vehicle. Source: 8.5.4 of the FTA ADA Circular C_4710.1:

ADA Passenger Complaints – An ADA complaint is when an individual (verbal or written) who has been certified as an ADA rider, indicates that the service provided is inaccessible to someone with a disability or someone with a disability has been denied service due to discrimination of the disability. This measures Jaunt’s adherence to the ADA regulations. Source: Jaunt

Lifts Determined Inoperable – The number of times a vehicle was put into service with a lift that was inoperable that prevented Jaunt from providing service to a rider that required the lift for transport. Source: Jaunt

ADA Passenger Incidents/Accidents – Accidents or incidents that result in an injury to a passenger who is ADA certified. Source: Jaunt

ADA Vehicle Accidents – Accidents that resulted in monetary damage of any size or a service disruption to a vehicle being used for ADA service. Source: Jaunt

Excessively Long ADA Trips – It is important to understand that “excessive” is in comparison to the time required to make a similar trip using the fixed route system; while a 1-hour travel time for a 5-mile complementary paratransit trip may seem excessive in the abstract, if the same trip takes an hour using the fixed route system, it is comparable, not excessive. Complementary paratransit service is by nature a shared-ride service. The standard of service is not intended to reflect that of a taxi service, which typically transports passengers directly to their destination Source: Section 8.5.5 of ADA circular C_4710.1:

Call Hold Times – Average length of time a caller is placed on hold while scheduling a demand response trip. Source: Jaunt
